

Fifth Annual  
**Ride for Recovery**  
September 19, 2010

Dear

As the Memorial Hermann Prevention and Recovery Center prepares to host the Fifth Annual Ride for Recovery, we come to you in hopes that you will decide to make a generous donation. Your contributions to this ride help fight drug addiction and alcoholism in the greater Houston community.

The Memorial Hermann Prevention & Recovery Center (PaRC) will be sponsoring the event on September 19, 2010 starting at 8:00 a.m. The Ride for Recovery, the first of its kind in the Houston area, is a fun educational event to raise awareness of the devastating disease of addiction. The Ride will begin at the PaRC and follow a scenic ride ending with a bar-b-que, where we will celebrate recovery with fellowship, raffles and an educational speaker. Non bikers are also invited to join us for a day of education and festivities. Enjoy the food, fellowship and testimonies from people who have been set free from addiction.

It is estimated that 15% of the population suffers from drug addiction and/or alcoholism. This does not even take into account the number of families, spouses and children affected by the disease. Proceeds from the event will be donated to the Men's Center and a Women's Shelter: two worthy organization in the Houston area on the front line of addiction recovery.

Your contribution is totally tax deductible and should be made out to MH PaRC. Your generous support is important and I look forward to receiving your donation. Feel free to call me at 713-329-7555 if you have any questions. Thank you.

Sincerely,

Jane Barnes
