# **Ride for Recovery**

MEMORIAL  
HERMANN  
Prevention &  
Recovery Center

A tradition was born when Memorial Hermann Prevention and Recovery Center (PaRC) staff and alumni joined forces to create a ride to celebrate recovery by...

...raising money to help support donations for selected nonprofit male and female recovery shelters in the community;

...acknowledging the fun people have in recovery; and,

...offering the opportunity to step out of the shadows of the shame of addiction.

The 2011 Ride for Recovery marks the sixth celebration of that successful tradition. To date, we have raised over \$40,000 in support of local recovery programs and operations. This year, our goal is \$25,000 which will be directed to The Men's Center and The Way Out Women's Center.

**You can make a difference!** Choose a sponsorship package and support recovery from alcohol and drug dependency in Houston through the Memorial Hermann's 2011 *Ride for Recovery*.

The 100-mile adventure begins on Sunday September 18, 2011 at the Memorial Hermann Prevention and Recovery Center (PaRC) located at 3043 Gessner (3 miles north of I-10 and 1 mile East of Beltway 8 - between Kempwood and Clay on Gessner). The ride will end back at the PaRC just in time for lunch. After the ride, we have a great meal waiting for you along with music, a speaker and door prizes!

We invite you to choose a sponsorship level and support the ride AND then join us for all the fun on September 18, 2011 as we give back to Houston's own by raising funds that will support the local alcohol and drug dependency recovery programs and operations of The Men's Center and The Way Out Women's Center.
